Last week our Year 6s went to Ghyll Head, what activities did the children get up to? Let children share their experiences.

Why do you think this is a good experience?

This is our last week of term! What have you learned this term that you are proud of? Eg a new sport, maths method, to join handwriting etc Can you link it to one of the five ways to wellbeing?

Today we have a very special visitor in school. Do you know who? Martin is a Rights Respecting ambassador and he is coming to St Paul's to see if we can become a gold school. Why do you think that we deserve this award? Miss Gallienne has been so impressed with all the children's knowledge in assemblies this term so well done!

## Playground

It has been noticed that some children are walking/playing on the plants in the playground. We are lucky to have these plants and doing this is not respecting our environment. Please let an adult know straight away if you see anyone doing this.
