

Tuesday	<b><u>Let's Connect!</u></b>
21 <sup>st</sup> June 2022	<p>Let's go around the group and share one thing that you would like to achieve by the end of this school year (you have one month left!)</p> <p><b><u>News</u></b></p> <p>On the 21<sup>st</sup> June it is summer solstice. Do you know what this means? Today is the longest day of the year (the most hours of sunshine) and it is also officially the first day of Summer!</p> <p>It is going to get very hot, how can we make sure that we protect ourselves in the hot weather?</p> <ul style="list-style-type: none"><li>• Bring a cap/ sun hat for playtimes and lunch times</li><li>• No sunglasses as these can be dangerous when you are running around outside</li><li>• Put sun cream on before you leave the house in the morning</li><li>• Make sure you wear a suitable uniform so you don't overheat</li></ul> <p><b>Just a reminder that any earrings needs to be studs and children need to be able to remove them themselves for swimming/ PE.</b></p> <p>The Summer Fair is between 3.15pm - 5.30pm on Friday 8<sup>th</sup> July 2022 on the school playground. Please bring in any <b>good quality</b> books, toys or dressing up outfits that you no longer want to be sold to raise money for our school.</p> <p><b><u>Sports News (Keeping Active)</u></b></p> <p>This week is National Sports Week and we will all be celebrating through the Commonwealth Games! Remember each class will be a different country and we will learn about that country. Do you know any facts about your country already?</p> <p>Remember there will be a special Commonwealth Games activity at lunch each day on the pitch; when you have a go you tell the Sports Leaders which country you are and then we will see which country wins the most points at the end of the week! There will be other sports on the rota that week that are played at the Commonwealth Games so give them a try too!</p> <p>Thank you every one 😊</p>
