

Year 3 and 4 Home Learning Challenge

In the Spring term as part of our geography study we are learning about Manchester and in science we are investigating Light and Electricity.

We would like you to take part in this Home Learning challenge

You could choose to do one of the following?

MANCHESTER:

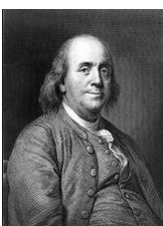

- There are many famous people who have who have contributed to Manchester such as Sir Robert Peel, Emmeline Pankhurst, LS Lowry, Professor Brain Cox, Noel and Liam Gallagher, John Rylands - make a fact file!!
- Manchester has many historical building - takes some photographs, produce a sketch or make a 3D model.
- Write a poem or a letter about Manchester - what do you like about it?

SCIENCE

- Research some famous people that contributed to science such as Benjamin Franklin, Thomas Edison, Nikola Tesla
- Produce a poster about important inventions / discoveries such as electricity, the light bulb, the television.

REMEMBER be creative - there will be prizes!!!

Happy Holidays!!!
