

Welcome and gathering

Welcome all the children to One Voice.

RESPECT FOR
CHILDREN'S VIEWS

Children have the right to give their opinions freely on issues that affect them. Adults should listen and take children seriously.

SHARING
THOUGHTS FREELY

Children have the right to share freely with others what they learn, think and feel, by talking, drawing, writing or in any other way unless it harms other people.

Can they remember what they have been learning about in maths?

ACCESS TO
EDUCATION

Every child has the right to an education. Primary education should be free. Secondary and higher education should be available to every child. Children should be encouraged to go to school to the highest level possible. Discipline in schools should respect children's rights and never use

violence.

Introduce theme:

"Today we are thinking about Justice"

Justice means being fair, treating people kindly, and making sure everyone gets what is right

Thought/story/scripture

Share this Bible verse with the children

"Learn to do right; seek justice. Defend the oppressed." – Isaiah 1:17

Read the story of The Good Samaritan – A man is beaten and left on the road. While others pass by, the Samaritan stops, helps him, and makes sure he is cared for. He chooses what is right and fair, showing God's kind of justice.

What does "justice" mean in everyday life?

Who in our world might need us to show God's justice and kindness?

Reflection

Ask children to sit quietly for a few seconds and think about the reflection question

"How can we stand up for what is right when we see something unfair?"

Allow them some time to add a response to the question, keep these for the reflection area and revisit them during reflection time on Friday (the worship leaders will collect these on a Monday morning)

Short prayer

“Dear God,
Thank You for loving everyone the same.
Help me to do what is right,
to be kind and fair,
and to stand up for others.
Use me to bring Your love and justice to the world.
Amen.”

News

This month is Black History Month and some of us joined a live assembly about this on Friday. Would anybody like to share something they learnt whilst watching it?

Black History Month is a special time when we remember and celebrate the accomplishments, experiences, and history of Black people. It's about honouring those who have often been left out of textbooks, recognising their contributions, and learning from their stories.

In the UK, the theme for **Black History Month 2025** is “**Standing Firm in Power and Pride**”, which encourages us to reflect on the strength, resilience, and dignity of Black communities — to stand confidently in who we are, and to celebrate the power and pride in Black identity.

Children have the right to use their own language, culture and religion - even if these are not shared by most people in the country where they live.

Mrs O'Connor is looking for children who would like to be Reading Ambassadors (Years 3-5), you will have to help Mrs O'Connor in the school library amongst other jobs. If you would like to do this then write a letter or design a poster and give it to your class teacher who will pass it onto Mrs O'Connor

Children can join or set up groups or organisations, and they can meet with others, as long as this does not harm other people.

Playtimes

It has been noticed that some children are playing on the pitch whilst eating their snacks. You must finish your snack before going onto the pitch. Why do you think we shouldn't eat whilst running

Every child has the right to rest, relax, play and to take part in cultural and creative activities.
