

An update from Ms Sorohan

We have finally made the end of an extremely busy term and say goodbye to year 6 and hello in anticipation to all our new starters.

I'd like to take this opportunity to say thank you to you all for your continued support of our school. Next term we will celebrate the 175th birthday of St Paul's CE Primary School and I'm happy to say with your support we continue to go from strength to strength.

A special thank you goes to all the members and volunteers of the PTA for their fantastic efforts raising much needed additional funds for those amazing extras that add to the all the children's learning experiences e.g. the new children's kitchen area.

I hope you will join me in thanking Mrs Tweedie, Mrs Plant and Miss Ali for all their hard work supporting children at St Paul's – I wish them well in their future careers.

Have a wonderful holiday and I look forward to welcoming you all back on Wednesday 4th September at 8.55am.

Dates for your diary

- School re-opens for children on Wednesday 4th September at 8.55am. If your child is joining us new into Nursery or Reception, please check your individual timetable for start dates.
- Year 6 Ghyll Head trip – Week beginning Monday 9th September

We will be sending home a newsletter in the first weeks of September to share important dates for the new academic year.

May Bank Holiday Change

As you may have already seen, the Government have recently announced that the May Day Bank Holiday on May 4th is changing to May 8th in 2020 for the 75th Anniversary of VE Day. We have amended the term dates on our school website.

Road Closure

In June we closed St Paul's Road to support Manchester City Council's 'Clean Air Day 2019'. We received lots of positive feedback and it was nice to see our families being able to walk down the road and pavements safely.

Let us continue to keep St Paul's road safe in September!

St Paul's Church

August at
10.30am

Making things, painting,
sharing food and fun –
ACTIVITIES FOR ALL AGES

Everyone is welcome – but
children need to be
accompanied by parents or
carers

Goodbye to our year 6, what an amazing year group! We will miss every single one of you. Good luck in High school, you're welcome back anytime.

Sports Day

Everybody had a very successful sport's day with lots of racing, obstacle courses, egg and spoon races and relay races. We had a very competitive parent race and also a teacher's race! Thank you to all the children and also to the adults for coming out and supporting everyone. A great day was had by all!

Year 1/2 Zoolab

Key Stage 1 recently enjoyed a visit from Zoolab. The children learned about a variety of animals and their habitats. They were very excited about handling the animals.

PTA

The PTA would like to thank everyone who supported our Summer Fete – with particular thanks to everyone who donated items for our stalls and to those who volunteered to help. We raised a fantastic £2,000.00 which will be used to fund more amazing school projects next year. Have a look at this year's purchase, the children's kitchen area. It has already been well used this half term and we look forward to seeing the children enjoying more cooking lessons next academic year!
