Dear Parents/Carers,

## Re: possible reopening of school to more pupils in June

We know you will have seen in the news that schools may reopen on 1<sup>st</sup> June to nursery, reception, year 1 and year 6 pupils if the government thinks it's safe to do so.

We are waiting for further guidance and clarification from the government at this time, which will hopefully help us to plan our phased reopening. We will share this with you as soon as possible so you know what the school's reopening will look like in practice.

It is a very unsettling time for us all, but be rest assured that we will be doing everything we can to make sure we are ready to receive these year groups if it's safe for our school to reopen in the coming weeks.

However, we are also not going to be pressuring anyone to send their children to school, since you know your children and personal situation best. We will keep you updated with all our preparations for making sure the school is as safe as possible, so you can make an informed decision.

In the meantime, the school is still open **only** for vulnerable pupils and the children of key workers. We know some employers will be encouraging you to return to work, but we are not in a position right now to extend places to other children until we receive further government guidance.

We would like to thank you for your continuous support in helping your child learn from home. We will need to keep going with this for a while yet, so please do continue to do what you can and stay in touch with us about how your child is doing.

If you have any questions, please contact me by emailing (please see address above)

Kind regards and stay safe

Ms J Sorohan
