22nd May 2020

Dear Parents/Carers

In the light of the announcement by the government last week, I am writing to you to outline the plan for increasing the number of pupils attending school. We have been working hard to implement guidance from the DFE (department of Education) to ensure our building is compliant and have used risk assessments from Manchester City Council to implement that guidance.

We are now in a position to share our plan with you. From Tuesday 9th of June we will be accepting Year 6 children back to school, this will follow with Reception and then Year 1 in the following weeks when we are happy that it is safe to do so. We are not returning from the 1st June as we need to ensure we have the time to be fully ready and all arrangements are in place. Monday 8th June will be a training day for all staff.

School will look very different as we implement social distancing, we will practise where possible 2 metre social distancing but please note this may not always be possible due to the age of some children. I will be writing to you again in the first week of June to detail our arrangements for keeping your children safe at school.

Thank you for continuing to show the patience you have shown so far, as we find our way through the most challenging times and try to make decisions that will have a positive impact for your children and the staff.

We will be contacting Year 6 parents in the first week of June to ask you to confirm whether you will be taking up a place.

If you have any specific questions please email and I will do my best to answer you.

Yours sincerely

Ms J Sorohan
