

<p>Tuesday</p> <p>3rd May 2022</p>	<p>How was your long weekend? Children can share activities that they did that link to the 5 ways to wellbeing (giving, keeping active, take notice, connect and learning).</p> <p>Why are there some children missing from school today? They are celebrating a special day called Eid. What is this?</p> <p>Eid al-Fitr, which means 'feast of breaking the fast' celebrates the end of the holy month of Ramadan for Muslims around the world.</p> <p>The celebrations will begin with prayers at dawn, which usually take place at a mosque. Eid has its own special prayer, which is designed to be performed in a congregation.</p> <p>It is traditional for Muslims to gather together in a park to celebrate breaking their fast, with large-scale events and festival food (particularly sweet treats), prayer and stalls.</p> <p>Do you know how any of your friends are celebrating today? Maybe they will wear new clothes or get some gifts!</p> <p><u>Eco- code Competition</u></p> <p>Ms Najdich has said that we are on the last step in our Green Flag application: we would like to open a competition to write a new St Pauls Eco code. This can be a list of rules, a rap, a poem or an acrostic poem that makes a school promise to protect the planet and show what we do in school. From the assembly last week you will know that our school topics this year are: Waste, Litter and Marine. What do we do at St Pauls to help in these areas? For example: Remember to recycle your waste, Do not use glitter etc</p> <p>You will see the box outside the staffroom ready for your ideas!</p> <p>Thank you everyone!</p>
