

<p>Tuesday</p> <p>5th July 2022</p>	<p><u>Let's Connect!</u></p> <p>Share with the group a time that you have been in the learning pit this week, how did you get out? How did you feel once you got out?</p> <p><u>Reminders</u></p> <p>The Summer Fair is this Friday- It will be between 3.15pm - 5.30pm so bring your parents along for some fun! It will be cash only.</p> <p><u>Snacks at playtime</u></p> <p>Just a reminder that snacks at playtime should either be fruit or breadsticks.</p> <p><u>Rights Respecting School</u></p> <p>Last month we achieved our Gold status for Rights Respecting Schools thanks to all your hard work. This is now official which means that we can finally announce it on social media to let everyone know how proud we are! We should hopefully get our big banner for the front of school before we break up for summer.</p> <p>Martin, the assessor said that 'All children and adults spoken with demonstrated an excellent understanding of children's rights and use the language of rights and respect extensively'. Well done everyone!</p> <p><u>Healthy Eating and being active</u></p> <p>This week you will receive a 10-minute shake up leaflet that is to help you stay active in the holidays! These are all Disney based. Each card has a game for you to play, either inside or outdoors to develop your communication and coordination skills. When you do an activity you can tick it off the chart. Do it with the whole family. If you complete it in the holidays and bring it back to Miss Fleet in September you will get a certificate!</p> <p>Thank you 😊</p>
